

Allstar

RGK

The AllStar's simple adjustability teamed with the omission of unnecessary additional weight provides the perfect balance of light weight and flexibility. It's the link between the beginner's Club Sport and the more professional Elite. Player development requires something that can be fine-tuned but also still made to your own specific measurements.

Frame Options. Single or double anti-tip. Fixed or height adjustable backrest. **Image 1.**

Backrest center of gravity adjustment system. **Image 2.**

Upholstery adjustable tension straps for better support and positioning. **Image 3.**

Wide range of ratchet and Velcro strapping to connect you securely to the frame. **Image 4.**
