Image 4

Upgrade to driving the world's most advanced four-wheel drive power wheelchair. The XT4 builds on Magic Mobility's impressive experience in delivering extreme off-road 4WD power wheelchair performance. The XT4 boasts incredible stability, range, comfort, and control over even the most challenging of terrains.

The XT4's patented front and rear suspension. **Image 1.**

High-capacity battery. **Image 2.**

Low-pressure knobby tires. **Image 3.**

Offers three standard colors, three specialized prints, and carbon fiber. **Image 4.**

Keeping you in mind. More options.

For those who require cutting-edge technology to keep up with the demands of their active life.
